

Loan Requirements

Check the basic requirements and the supporting documents needed before applying. Review the general requirements first, then the specific requirements for each loan type.

Basic Requirements

These are the general documents and details most applicants may be asked to provide.

- Valid NRC, passport, or accepted identification
- Active mobile number
- Proof of income
- Proof of residence
- Recent bank statement or mobile money statement where applicable
- Completed application form

Requirements by Loan Type

In addition to the basic requirements above, some loan products may require extra supporting documents.

Personal Loans

- Valid identification
- Proof of income
- Recent statement
- Proof of residence
- Completed application form

Salary-backed Loans

- Valid identification
- Latest payslip
- Employment confirmation
- Bank statement
- Active phone number

Business Loans

- Valid identification
- Proof of business activity
- Bank statement
- Business documents if applicable
- Income or cash flow records

Asset Finance

- Valid identification
- Proof of income
- Asset quotation or invoice
- Bank statement
- Supporting documents where required

Important Notes

All applications are subject to review and approval. Meeting the requirements does not guarantee approval. Additional supporting documents may be requested depending on the loan type, affordability assessment, or internal review process. Terms and conditions apply.
